Sri PRABHAKAR TELKAR.—Whether the Government is aware that these Professors and Associate Professors working in the Hyderabad Karnatak Education Society, Gulbarga are getting their salaries in cash and not by cheque?

Sri A .R. BADARINARAYANA.—The Government gives grants to the private aided colleges and they distribute the salaries of the staff. Government does not pay the salaries directly.

Sri PRABHAKAR TELKAR.—Whether the Government is aware that the full amount is not being paid towards their salaries to these Professors and Associate Professors?

Sri A. R. BADARINARAYANA.—I am not aware of that. The management pays the salaries. The Government does not pay the salaries by cheques in Colleges.

Sri D. B. KALMANKAR.—In view of the complaint made by the hon. member that full payment is not being made and since the Government is giving grants to this college, whether the Government would insist upon the payments of salaries being made only by cheques?

Sri A. R. BADARINARAYANA.—Government pays only 80 per cent of the grants and the rest is paid by the management. So it cannot be paid by cheques.

Sri V. N. PATIL.—When mis-management of funds is brought to the notice of the Government, is it not the duty of the Government to insist on making payments by cheques; and is the Government going to withhold 80 per cent grants if payments are not made by cheques to the teaching staff?

Sri A. R. BADARINARAYANA.—If complaints are received that some portion of the salaries is being withheld or not paid then Government will take action.
